

Pay your rent by weekly Direct Debit

Good News!

Tenants of Ashfield District Council now have even more ways to pay their weekly rent.

As well as offering you the option of a monthly Direct Debit payable on the 7th of each calendar month, and a weekly Direct Debit payable on a Monday, Ashfield Homes is now able to offer a weekly Direct Debit payable each Friday.

This is good news for people who get paid at the end of the week, or who receive benefits and other income during the middle of the week, for whom paying by Direct Debit on a Monday may not be convenient.

Weekly Direct Debit payments can help you to stay in control of your finances as you know your rent will be paid each and every week, without accruing unnecessary arrears. It also means there are no cheques to write, no postage costs, and no queuing, as payments are made for you direct from your Bank or Building Society.

If you are interested in paying your rent by Direct Debit either:

Monthly, on the 7th of the month;
Weekly, on a Monday; or
Weekly; on a Friday;

Please speak to your Housing Management Advisor for details of how to apply. Or, look out for the form that will be sent to you with your October Rent Statement.
